Technologies

Duo concept

There is a male and female version for this item. That makes this article perfect for dressing a team that is composed of both men and women.

Multipocket

This item has 5 or more pockets for storing different articles and accessories.

Water repelling

This item has been made from a water repelling material or treated with a water repelling coating. Coating means an item is made water repelling or waterproof by adding an element like polyurethane or PVC. This technology also ensures that the item repels oil and other dirt.

Extendable Hem

These pants have an extendable hem of 5cm

that allows you to set your own ideal length and fit.
